

Privacy Policy

Your privacy is very important to us. Accordingly, we have developed this Policy in order for you to understand how we collect, use, communicate and make use of personal information. The following outlines our Privacy Policy.

When accessing our Website, WorkPro will learn certain information about you during your visit.

Similar to other commercial Web sites, our Web site utilizes a standard technology called "cookies" (see explanation below, "What Are Cookies?") and Web server logs to collect information about how our Web site is used. Information gathered through cookies and Web server logs may include the date and time of visits, the pages viewed, time spent at our Web site, and the Web sites visited just before and just after our Web site, your IP address.

IP Addresses

IP addresses are used by your computer every time you are connected to the Internet. Your IP address is a number that is used by computers on the network to identify your computer. IP addresses are automatically collected by our web server as part of demographic and profile data known as "traffic data" so that data (such as the Web pages you request) can be sent to you.

What Are Cookies?

A cookie is a very small text document, which often includes an anonymous unique identifier. When you visit a Web site, that site's computer asks your computer for permission to store this file in a part of your hard drive specifically designated for cookies. Each Web site can send its own cookie to your browser if your browser's preferences allow it, but (to protect your privacy) your browser only permits a Web site to access the cookies it has already sent to you, not the cookies sent to you by other sites.

How we use cookies
