

BACKGROUND CHECKS

Streamline risk management with our all-in-one platform for on-demand background checks.

Screening candidates is important, giving you confidence that you have a robust recruitment and compliance program.

Background checks can reveal the hidden details needed to make informed business decisions. WorkPro puts the complete range of on-demand checks at every employers' fingertips – so you can spot red flags before it's too late.

The WorkPro platform is a simple dashboard, enabling employers to request, track and manage checks for complete transparency. Single, multiple or many checks can be quickly selected to suit the job, project and industry, every time.

Fast turnaround times and official results from Government databases provide the detail employers need to move quickly and recruit confidently. Access results online and let the WorkPro platform manage automatic storage, archiving and confidential document destruction, to meet compliance standards.

Get started in moments with flexible pay-as-you-go pricing, so you can manage your finances as well as protect your business.

Join over 1,600+ companies who trust WorkPro to make their workforce compliance simple.

The all-in-one platform for on-demand background checks:

- ✓ Australian Police checks
- ✓ Australian Work Rights checks
- ✓ Working With Children and Vulnerable People checks
